## Please treat your wheelie bin with care...

- Wrap or bag your rubbish first
- Keep it clean
- Don't compact rubbish in - this can cause the bin to split
- Only fill with general household rubbish and green waste
- Don't over-fill...the lid should be able to shut.

## Please **DO NOT** put any of the following in your bin, as we cannot accept it.

- Toxic, dangerous or hazardous waste including paint tins, battery oil, oil containers etc.
- Hot ashes
- Liquid waste
- Engine or car parts including tyres
- Glass or sharp objects must be wrapped
- Concrete, bricks, stones, soil or clay
- Large branches or pieces of wood
- Whiteware or microwaves
